Notes -

All of the above lessons are fully aligned with Curriculum for Excellence Experiences and Outcomes at third and fourth level and Benchmarks.

They also complement

- Conduct of Relationships, Sexual Health & Parenthood Education in Schools (Scottish Government 2014)
- Health Scotland 'Sexual Health & Relationships Education resource' (SHARE)
- White Ribbon Scotland S3 Youth and Schools Workshop resource
- Rape Crisis – Preventing Sexual Violence resource

The discussion cards that are included are suitable for use with young people aged 14 and over, however professional judgment should be used when using this resource. A safety warning is given at the beginning of each lesson and it is acknowledged that there will be varying degrees of knowledge and understanding about pornography within each group.

These lessons have been produced as part of a joint project between the Women's Support Project (WSP) and the Scottish Peer Education Network (SPEN).
